## EDUCATION

**University of California, Irvine**, expected 2021

- Current GPA: 3.729 / 4.0

## COURSES

- I&CS 31-33: Introductory Python - Intermediate Python
- I&CS 45C: Introduction to C++
- I&CS 45J: Introduction to Java
- I&CS 46: Data Structures (using C++)
- CS 122A: Introduction to Data Management

## PROJECTS

### Budget App

Simple budgeting app that keeps track of your income, expenses, and current balance for the month. Currently supports adding/removing/filtering transactions.

Tools used:

- Vanilla JavaScript/ES6
- SASS
- Webpack/Babel

### RSS Feed

Simple RSS feed that uses the NewsAPI to fetch the top headlines of the day.

Tools used:

- Basic React

## WORK EXPERIENCE

**Design Assistant**, UCI Division of Continuing Education

April 2019 - Present

- Assists with building Canvas courses from a course map according to a style guide
- Assists with formatting course documents and Canvas course pages so that they create the best user experience for students

## ACTIVITIES

### CuSTEMized Web Assistant

Oct 2018 - April 2019

- Helped develop web applications that act as resources for teachers or parents encouraging their children to pursue STEM using JavaScript, HTML, and CSS
- Worked on a Connect the Dots generator that allows educators to use their own vector images to create a connect the dots worksheet

### Learn To Be Online Tutor

October 2018 - September 2019

Learn To Be is a non-profit organization that aims to bring tutoring to underserved communities.

- Tutored my student in middle school math every Saturday for 1-2 hours
- Helped design icons for Learn To Be's site

## SKILLS

### Programming Experience:

- JavaScript
- C++
- Python
- HTML/CSS

### Software:

- Figma/Adobe XD
- Adobe Illustrator

## HONORS:

**Dean's Honor List**; Fall 2017,  
Winter 2018, Fall 2018
